- 🌀 quilt basting spray
- 🌀 sewing machine
- 🌀 marking pens
- 🌀 ruler foot (NOT NEED TO START THE CLASS BUT WILL NEED IT AS CLASS PROGRESS)
- 🌀

My hope is to teach you to free motion quilt starting from learning to doodle and then to sew out that design. Please understand that this is going to be a hands on class . You will have to do the drawing but also sew it. So my goal is to have both drawing and sewing in class. Please come with a can do attitude. It takes time and practice and we will have both. But we need more time on the machine than drawing,

I am starting with this supply list ...but it will grow as class goes on more quilt sandwiches, or panels, rulers, So please keep and open mind. Free motion quilting is practice , practice ,practice and did I say practice . A little here and and little there gets the job done. So if your up to the task let get started and have some fun...See you there. Etta

Before Class:

Please have you quilt sandwiches made up ahead of time. You should also have you free motion foot on your machine . Please check you manel to make sure you know how to set up your machine for free motion quilting. All machine are different. If you need to get a free motion foot please do so well ahead of class. Also you will find that an extention table makes it easier to free motion quilting. And this is something that fits only your machine and will not be able to be borrowed.

Class will start and end promptly—please be set up and ready to begin class on time.

Your payment is your commitment to your class and to the instructor. The class may be postponed or refund issued IF a minimum enrollment is not met. You must give a 3-day notice to transfer the fee to another class. Student must have basic knowledge of their own sewing machine, including how to operate and thread your own machine. **Please note:**
