Before Class:

With the included patterns (either the flower or the hedgehog and cactus) trace the pattern pieces onto the soft fuse, iron the soft fuse to fabrics of your choice. Cut your pieces from the patterns traced onto the soft fuse. Arrange the applique pieces and iron the applique pieces to your background fabric (you can choose to pre-quilt the entire hoop with an IQ/MDC fill of your choice).

You should come to class with the applique pieces fused to the background fabric so we can start designing with IQ/MDC and embroidery stitches.

Class will start and end promptly—please be set up and ready to begin class on time.
