Delightful new Tiffany Rainbow Santa, just perfect to hang above your mantle or on a door or window.

Supply check list:

- **PLEASE NOTE:**

Hatched in Africa: **Tiffany Rainbow Santa** design available for **purchase** to direct download on to **your USB stick**.

- There are 12 completely different blocks to complete this design.
- Background for blocks in the following sizes:
 - for 6 x10 hoop size
- Mylar (optional)
- Pre-shrunk batting that is thin. Regular batting is too thick and will cause the designs to stitch off the design
- A fiber type of water-soluble stabilizer (not topper)
- Assorted threads per the design instructions (thread list will be available)
- Basic Sewing Supplies

Before Class:

- Read thru the instructions, please.
- Prepare background fabric, batting and backing. (I suggest an iron on stabilizer to the base fabric for support as the stabilizer is a water soluble)

Class will start and end promptly—please be set up and ready to begin class on time.

Your payment is your commitment to your class and to the instructor. The class may be postponed or refund issued IF a minimum enrollment is not met. You must give a 3-day notice to transfer the fee to another class. Students must have basic knowledge of their own sewing machine, including how to operate and thread your own machine. **Please note:** Neither your instructor or Pins & Needles can be responsible for forgotten supplies and/or equipment. Please be sure to have all of your supplies properly labeled.

Supplies to bring when using a store machine
